

Bluff Lake Nature Center's
Dirty Hands Award

The 2009 Exceptional Volunteer Award

Request for Nominations

Hundreds of people volunteer for Bluff Lake Nature Center every year and we appreciate every single volunteer's effort...but there are volunteers who go above and beyond.

For the third year in a row, Bluff Lake Nature Center will honor one of our exceptional volunteers with the "Dirty Hands Award" at our Urban Spaces, Wild Places event in September. Our previous awardees are Barry Levene (2007) and Fran Haas (2008).

Please help us by taking a minute to consider who you would like to nominate, complete this form, and send it to our committee (feel free to include any attachments that support the nomination). We are most interested in how the candidate has contributed to the day-to-day work at Bluff Lake, either at the site or in other ways.

*The deadline for nominations is June 15, 2009.
Current Board Members are not eligible.*
